Well we are underway with the news letter. We hope to improve it time goes on. We need some help with it, though. First we need someone who is willing to take pictures and get names of those in them. We also would like the members to send to us any shows you are going to do so we can indicate them in the space above.

Further we would like to highlight some of the members, so if you feel like you would like to do so please drop a brief bio to us we can include it in the news letter.
